February 2009

REBS President says...

Welcome to our new version newsletter. Thanks to Paul and Ngairé. 2009 is off to a flying start for REBS with a new improved Friday Food Swap at the Centre and new members coming through the doors. Having our own downtown office at the Environment Centre is definitely working for the confidence and development of our trading network. This year will see community currencies become more relevant than ever before to local resilience and wellbeing, so it's exciting that we here in Wanganui will be hosting the National LETS Conference on April 17th, 18th & 19th at the Quaker Settlement for which we look forward to your input and participation. **Best Wishes. Laurence Boomert REBS President.**

"Quote of the Month"
Bill Clinton is getting \$12 million for his memoirs. Hillary got \$8 million for hers. That's \$20 million for the memories from two people, who for eight years, repeatedly testified, under oath, that they couldn't remember anything.

JOKE TIME

Stick at Last

A fellow was sitting in the doctor's waiting room, and said to himself every so often, "Lord I hope I'm sick!"

After about the 5th or 6th time, the receptionist couldn't stand it any longer

and asked, "Why in the world would you want to be sick Mr. Adams?"

The man replied, "I'd hate to be well and feel like this."
