# The NEWS BOX

May 2009

## REBS President says...

We are pleased to say that the Community Currencies Conference was a fabulous success with over 100 people participating and some of the best community development workers in the country being present. In no small part the event came together because of the hardwork of a team of REBS members – Thank You! Many people registered for the conference in REBS or their local CES equivalent so in turn we were able to pay people for baking and labour in REBS – now that's a working system. A proud Whanganui effort.

The big news at the moment is that we are moving our base from 38 Taupo Quay at the Environment Centre in a process of both expansion and consolidation (called evolution) by REBS sponsor Smart Planet NZ.

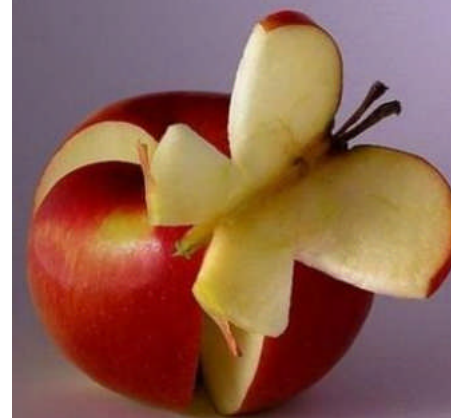

REBS administration is moving with Smart Planet NZ to the suburban location of 6B Bristow St from which SP products will still be available on REBS by appointment. Ph 345 7228.

Sustainable Whanganui will continue to keep a presence alongside Green Bikes at 38 Taupo Quay.

SP has also booked a double space at the Rivers Traders Market from which to promote its products as well as REBS and SW. So REBS monthly market will be held from here on - at the market, which is something many people had been hoping for a while. This along with the ideas and inspiration gained from the conference is likely to see all sorts of progression for REBS in Whanganui this year.

Best Wishes Laurence

## WHAT'S UP @ REBS?

**NO MORE FRIDAY FOOD MARKET** due to the relocation of the office to 6B Bristow Street and we will now have a stall at the Saturday Market. We still have the Library at 38 Taupo Quay.

**REBS Market Day** is on the 9<sup>th</sup> May. There were six stalls for the April Market. To have a stall, please contact Michael on 344-5032.

**REBS Committee Meeting** is held on the 13<sup>th</sup> at 3.30pm at the Environment Centre, 38 Taupo Quay.

### Hi REBS Members

The following are requirements for the Market.

Food & Produce Stalls to complete:

Type of food to be sold, where food prepared, do you make or grow the food/produce yourself, if not where is food/produce sourced. Do you intend to cook food on-site. Do you have a current food safety certificate and provide a copy. A food safety risk assessment is also required.

If any REBS members are interested in having a stall at our monthly REBS Market and would like to take the opportunity to complete a Food Safety Certificate, please phone or email Ngairé. We would like to be able to apply for funding to enable members to complete the required food safety certificate and food safety risk assessment. Regards Ngairé

## JOKE TIME

### TELEMARKETERS

Here are some proven ways to rid your life of them for good.

1. Tell the Telemarketer you are busy at the moment and ask if they will give you their home phone number so you can call them back. When the Telemarketer explains that telemarketers cannot give out their home numbers say, "I guess you don't want anyone bothering you at home, right?" The Telemarketer will agree and you say, "Me either!" and proceed to hang up.
2. If they start out with, "How are you today?" say, "I'm so glad you asked, because no one these days seems to care, and I have all these problems. Mr arthritis is acting up, my eyelashes are sore, my dog just died.."
3. Say "No" over and over. Be sure to vary the sound of each one, and keep a rhythmic tempo, even as they are trying to speak. This is most fun if you can do it until they hang up.
